Sponsorship Opportunities

Tamborine Equestrian Group invite you to be a part of the 2024 Queensland International Three-Day Event.

About the Event:

The Queensland International three-day event is held at the beautiful equestrian venue Kelecyn, home of Tamborine Equestrian Group. This venue is constantly undergoing improvements to provide superb facilities that showcase the sport and provide an unsurpassed experience for everyone involved, officials, sponsors, volunteers, spectators, competitors, and supporters alike, there really is something for everyone.

With Tamborine Equestrian Group experiencing a growing demand at the venue, we are attracting more and more competitors and spectators to the event. This once-a-year event gets bigger and bigger each time around, so we are opening opportunities to invite new supporters and sponsors on board and using the opportunity to refresh partnerships with existing relationships. We are so incredibly grateful to everyone that has supported us on our journey to date.

At the International Three-Day Event you can expect to see three days of action-packed competition with competitors from the Australian International and National Elite Squads, Past Olympic representatives, and the finest Queensland riders at every level of our sport. Officials include representatives who have assisted in both Olympic and Para Olympic teams and Technical Delegates who judge internationally at prestigious 5-star competitions around the world.

The Queensland International 3 Day Event is the only FEI 4 Star Long Format event in Queensland, and one of a handful across Australia. With expanding numbers each year we are working towards making it a major attraction on the Queensland sporting calendar.

What We Can Offer You:

Tamborine Equestrian Group International Three-Day Event believes it can offer you high quality exposure to customers at this one-of-a-kind event in Queensland. We have seen our competitors and followers lend strong support to Sponsors and we believe that the youthful vibrancy of our club combined with the solid experience of seasoned campaigners brings a unique combination that will offer valuable opportunities for your company to be prominently displayed to a targeted audience of competitors and spectators over three days of action.
