

**EXPRESSIONS OF INTEREST FOR CONSIDERATION FOR THE REMI STUD
YOUNG RIDER SCHOLARSHIP 2024**

The Remi Stud Young Rider Scholarship is being offered again this year!! Now in its 12th year, it is an amazing opportunity for a young rider who has the dedication and talent, but not the financial means, to enter or continue in the equestrian industry. The scholarship includes the ownership of a purpose bred Hanoverian weanling foal bred by Remi Stud who is sired by one of the best performed Hanoverian stallions in Australia, Remi Vigneron, plus a sponsorship package which includes feed from Prydes Easifeed; a saddle, saddlecloth and bridle from Edwards Saddleworld; 10 weeks training by Lord Dressage when the horse turns three years old; life registration with Equestrian Queensland; show product from Dr Show; riding apparel from Horse & Co; rugs from Gala Equine, veterinary care from Westvets; registration and merchandise from the HHSA; transport from Manuel Equine Transport; farrier care from Richard Meaker Farrier; \$1500 product from Kelato Animal Health, and support from Equestrian Australia and the Brisbane CDI. To be considered for the receipt of this amazing scholarship valued at over \$35,000, riders should complete the application form below and submit it to Cheryl O'Brien at remistud@bigpond.com.

We are making some exciting changes to the Scholarship going forward, with the first change already being made last year. The age for the Applicants will now be from the beginning of the year in which they turn 15 to the end of the year in which they turn 25. These changes will allow riders already in the equestrian industry to enter a more talent based Scholarship. Full Applicants should provide the following information to accompany their application form:

- A letter describing why you believe you would be a worthy recipient of the scholarship - this should include current training level; short, medium and long term goals in the equestrian industry; and information regarding how this scholarship would allow and support your future goals
- A letter from your parent or guardian stating that they approve of your application, why they think you would benefit from the Scholarship, and that are prepared to commit the time and support necessary to care for the horse
- A letter from your current coach supporting your application, and why they think you would benefit from the Scholarship, and stating how they will be involved in the preparation of this young horse
- Please provide your best 3 dressage scores and at what competition level, in the past 12 months (a video of a test would be welcome, but not necessary).

Applications must be received by the 25th August, 2023. Successful finalists will be notified by email and will be required to attend the Brisbane CDI on 14th September, 2024, when the winner will be announced and presentations made.
