WELCOME.

We welcome hundreds of visitors to 'Catch the Country Spirit' in Inglewood, a beautiful quiet country town for the Endurafest from 31 May to 2 June 2024.

The 2024 Endurafest will host the inaugural Australasia Regional Endurance Championship, with teams of 4 athletes from Japan, Malaysia, New Zealand, Singapore and Australia will contest the 100 km FEI 1 star event.

The program will also include FEI 3 star, 2 star and 1 star international endurance competitions and AERA classes that cater for all ages and levels of riders with various divisions from 20 km through to 160 km. The event will be a pathway for many competitors including those preparing for the 2024 World Endurance Championships in France. The three days of competition will also feature educational forums, a trade village, volunteer club, spectator areas and involvement from the local community.

International competitors will join competitors from all over Australia, support teams, grooms, International and national officials, veterinarians and volunteers. This provides a wonderful opportunity for travelers to plan to visit some great tourist attractions on their journey and while in Inglewood meet the friendly locals in town and enjoy some shopping, local produce, visit Lake Coolmunda and stop in to see the Inglewood Heritage Centre, there is lots to do in Inglewood and the wider region.

Oz Endurance is privileged to have the support from the Fédération Equestre Internationale (FEI), Equestrian Australia (EA), Equestrian Sports New Zealand (ESNZ), Equestrian Queensland (EQ), Australian Endurance Riders Association (AERA) and Queensland Endurance Riders Association (QERA). Together we aim to make the 2024 Endurafest a showcase event demonstrating the best of endurance.

Peter Toft,
Event Director
Oz Endurance (Q) Inc. Organising Committee

The Equestrian Australia Board welcomes all athletes and their support crews, officials, and spectators to the magnificent Queensland countryside for this inaugural event. We hope that you have an enjoyable experience wherever you have come from, and leave with memories and friendships that will endure.
